

redmine - Bug #33

automatic assembly email misses send date

06/21/2020 07:47 PM - Steffen WouldYouLikeToKnow

Status:	Closed	Start date:	06/21/2020
Priority:	Normal	Due date:	06/25/2020
Assignee:	Chris -	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
E-Mail clients show the receive date as the current time. Which seems to indicate the automatic generated mails do not have a send date and time.			

History

#1 - 06/21/2020 08:10 PM - cpp zombi

- Due date set to 06/25/2020
- Assignee set to cpp zombi

Thanks for creating the ticket, I'll fix it

#2 - 07/19/2020 07:52 PM - Chris -

- Status changed from New to Resolved
- Assignee changed from cpp zombi to Chris -

Emails were missing the "Date" Header field. This has been fixed in [this MR](#)

#3 - 07/30/2020 11:38 PM - cpp zombi

- Status changed from Resolved to Closed
- % Done changed from 0 to 100
